# Post-Licensing Education for Florida Real Estate Sales Associates

Eighth Edition

This best-selling text is approved by the Florida Real Estate Commission for use in meeting the 45-hour post-licensing education requirement.

- **NEW**—“In Practice” ideas show licensees how to apply laws and contract provisions to help their buyers and sellers and to achieve success
- **NEW**—More ideas on finding buyers and sellers, such as direct mail, developing spheres of influence, and farming
- **NEW**—Updated financing information; includes examples using the new Good Faith Estimate form and the new HUD-1 settlement statement
- Real-world tips and suggestions reinforce key material and allow users to apply what they have learned
- Important forms for real estate practice are identified throughout the text and ready-to-use forms are included at the back of the book
- Learning objectives, key terms, discussion questions, chapter summaries, and practice exams emphasize fundamental concepts and provide review tools for additional study
