I. INTRODUCTION

This *Candidate Information Booklet* (CIB) is designed to introduce Computer Based Testing and provide candidate information for this examination.

The Department of Business and Professional Regulation has retained the services of PearsonVUE/Promissor to schedule, administer, score and report the results for computer based testing. PearsonVUE/Promissor is a leading provider of assessment services to regulatory agencies and national associations and offers licensing and credentialing support services to associations, state agencies, and private industry.

Your examination(s) will be administered on an electronic testing system. The testing system eliminates the use of paper, pencil and answer sheets. Candidates input their responses by entering the answer of their choice (A, B, C or D). Before you begin the examination, you will have an opportunity to go through a tutorial on the computer. The computer is very simple to operate; it should only take you a few minutes to learn to use it.

The screen features a variety of function buttons to help candidates navigate through the examination. The function buttons are located in the same position throughout the test.

Candidates can mark a question for review, move forward or backward one question at a time, or move to a specific question.

The summary screen, which can be accessed at any time during the examination, shows candidates the following:

- Number of questions answered
- Number of questions unanswered and/or skipped
- Time remaining for the examination

As previously stated, you may call PearsonVUE/Promissor or log on to their website <http://www.Pearsonvue.com> to register for the examination. You may register as far in advance as you would like or up to and including the day you would like to test based on seat availability. **NO WALK-IN TESTING IS PERMITTED.**

All candidates **MUST** have a reservation prior to arriving at the Test Center. Remember that test reservations are made on a **first-come, first-served basis**, so plan ahead and make your reservation as early as possible so that you will be able to arrange to test on your date of choice.

When scheduling via the web, your user identification and your password will be FLR, plus your nine-digit social security number. Payment at the Test Center is **NOT** permitted. As stated previously, acceptable forms of payment at the time of reservation are: credit/debit card (MC, Visa, AMEX and Discover); electronic check or pre-paid voucher.

Candidates should receive from PearsonVUE/Promissor prior to the testing date a *Florida Division of Real Estate Authorization Notice*, which you will need to bring with you to the Testing Center the day of your exam. The notice will clearly show to the Test Center staff that your application has been approved to take the examination. If you did **NOT** submit your pre-licensing education completion certificate with your application, **OR** if the "School Code" field is blank or invalid on your *Florida Division of Real Estate Authorization Notice*, you **MUST** present a copy of the education completion certificate at the Test Center in order to be admitted. Failure to provide this document at the Test Center will result in your **NOT** being admitted to the examination and your being held liable and accountable for the examination fee for that day **IN ADDITION** to the new test fee required when you register for a future test.

Official transcripts should be submitted to the Department of Business and Professional Regulation. Diploma, transcripts, and wall diplomas issued by universities, colleges, and community colleges will **NOT** be accepted at the Testing Center and will result in your being denied admission. You will be liable for the testing fee for that day **IN ADDITION** to the new testing fee required when you register for a future test. Attorney Bar Registration Cards will **ONLY** be accepted for **Sales Associate** candidates.

A candidate may cancel the examination reservation **up to two (2) business days prior to the exam date without a financial penalty.**

The application shall expire 2 years after the date received if the applicant does not pass the appropriate examination. Additionally, if an applicant does not pass the licensing examination within 2 years after the successful course completion date, the applicant's successful course completion is **invalid** for licensure. Candidates for a Real Estate Sales Associate license or Broker license must pass the examination during the (24) months of receipt of application, the authorization period as identified on the candidate's *Florida Division of Real Estate Authorization Notice*. If a candidate does **NOT** take the examination during the twenty four (24) months, **the application will expire** and the candidate will need to re-apply to the Florida Division of Real Estate. The candidate will also be required to submit new evidence of completion of a pre-licensing course.

Pursuant to Section 475.175(1) (a), Florida Statutes, electronic fingerprinting will be **MANDATORY** beginning **JULY 1, 2006**, for all real estate sales associate and real estate broker applicants. PearsonVUE/Promissor can now electronically scan and submit fingerprints to the Florida Department of Law Enforcement and the Federal Bureau of Investigation to determine if the candidate has a criminal history record. The information obtained by the processing of the fingerprint card by the Florida Department of Law Enforcement and the Federal Bureau of Investigation shall be sent to the Department of Business and Professional Regulation for the purpose of determining if the candidate is statutorily qualified for examination. This technology will benefit real estate sales associate and broker candidates by reducing the likelihood of illegible fingerprints or missing information on a fingerprint card.

Candidates may make an online fingerprint reservation by visiting the PearsonVUE/Promissor web site at www.Pearsonvue.com and selecting under the "Find Other Services" sub-title: **Fingerprinting Services**, or by contacting PearsonVUE/Promissor at 1.877.238.8232 (TTY 1.800.274.2617). Candidates **MUST** pay for the online fingerprint reservation by **credit/debit card (MC, Visa, AMEX, and Discover), electronic check, or pre-paid voucher.**)

INTERNET RESERVATIONS

You may submit a request via the Internet by visiting PearsonVUE's/Promissor's website at <http://www.Pearsonvue.com> twenty-four (24) hours a day, seven (7) days a week, **provided you include a credit/debit card number (MC, Visa, AMEX and Discover), electronic check or pre-paid voucher.** Reservations can be made up to and including the day you wish to sit for your exam based on availability. However, it is strongly recommended you call at least two (2) days before the examination date desired **since reservations are made on a first-come, first-served basis.**

A confirmation of this reservation will be returned to you via E-mail within twenty-four (24) hours of receipt of your reservation request. Examination reservations may be canceled or changed via the Internet. A candidate may cancel the examination reservation **up to two (2) business days prior to the exam date without a financial penalty.**

As cited within Section 61J2-26.001, F.A.C., the Florida Real Estate Commission has determined that it is in the best interest of the public's welfare to ensure a nonresident seeking licensure in Florida, pursuant to Section 475.180, Florida Statutes, is knowledgeable in Florida law, statutes, and administrative rules. To properly ensure such nonresident candidate has this knowledge, a Laws and Rules Examination consisting of 40 questions is mandatory. The subject area of the Laws and Rules Examination shall consist of general real estate license law. While knowledge of all subject areas is required, particular emphasis will be placed on Chapters 455 and 475, Florida Statutes, and on the rules of the Florida Real Estate Commission found in Chapter 61J2, Florida Administrative Code. This Laws and Rules Examination is required of all candidates for nonresident licensure, regardless of jurisdiction, and shall become a part of each written agreement implementing the provisions of Section 475.180, Florida Statutes, and Chapter 61J2-26, Florida Administrative Code.

PILOT TESTING

As explained under Rule 61-11, F.A.C., of the Bureau of Education and Testing, specifically Section 61-11.019, F.A.C., the examination may contain a small number of experimental or “pilot” test questions. The purpose of including pilot test questions within the examination is to expand and improve the bank of questions from which future examinations will be drawn. This is a common practice used by many national and state examination programs and is a critical step in ensuring the continued reliability and validity of these examinations. In the event that pilot test questions are included within the examination, these questions will **NOT** be counted when computing your scores. Additional time will be given for answering the pilot test questions. The time allowed for testing has been evaluated to ensure there is adequate time for completing test questions and pilot questions. Pilot questions are **NOT** identified. If the pilot questions were identified, many of the candidates would skip them, and the results would not be valid. The development of a good examination requires accurate candidate response information for the pilot questions.

TEST TAKING ADVICE

The advice offered here is presented primarily to help you demonstrate knowledge and maximize your chances of passing the examination.

- Read all instructions carefully.
- For best results, pace yourself by periodically checking your progress. This will allow you to make any necessary adjustments.
- Be sure to record an answer for each question, even the items about which you are not completely sure. Remember, the more questions you answer, the better your chances of achieving a passing score. There is **NO** penalty for guessing, so you should answer every question. You can note the questions you wish to reconsider on the computer testing system and return to them later.
- Alert a Proctor or Test Center Manager to any problems that may occur during the examination. Do **NOT** wait until the examination is over to inform someone about a problem.

SUPPLIES

It is expressly understood by each candidate that the State of Florida, and/or the Department of Business and Professional Regulation, and the Department's staff hereby assume absolutely **NO** liability of any nature whatsoever for any items of the candidate's personal property that may have been brought to, left at, or left outside the examination site. It is further understood that the candidate's admission to the examination shall hereby constitute the candidate's full, knowing, and complete waiver of any and all such claims against the State of Florida, and/or the Department of Business and Professional Regulation, and the Department's staff.

What to Bring:

All candidates will be required to bring the following items to the assessment center on the day of the examination:

- Two No. 2 sharpened pencils.

- Calculators are permitted if they are silent, hand-held, battery-operated, nonprinting, and **without an alphabetic keypad**. Solar calculators are **NOT** recommended. Use of any other calculator is **NOT** permitted. Violation of this rule may result in dismissal from the examination. Calculator malfunctions are **NOT** grounds for challenging examination results or requesting additional examination time. PearsonVUE/Promissor will **NOT** provide calculators for the examination.
- To better serve our "English as a second language" candidates, the Bureau of Education and Testing is permitting the use of foreign language translation dictionaries during the examination. Translation dictionaries shall contain word-for-word or phrase translations **ONLY**. Dictionaries that contain definitions of words, explanations of words, or handwritten notes may **NOT** be used.
- Electronic translation dictionaries are **NOT** recommended as most will have more than word-for-word or phrase translations, an alphabetic keypad, have mathematical formulas and stored memory capabilities. Should these electronic translation devices have these capabilities, these devices **WILL** be rejected by the Proctor or Test Center Manager in **NOT** being suitable for the test site environment.
- Testing Center staff will inspect and approve each dictionary before it can be used during the examination. In order to maintain security and to ensure fairness to all candidates, candidates are limited to the use of a single dictionary.

- If you have any questions concerning acceptable translation dictionaries, please contact the Bureau of Education and Testing, Examination Administration Unit at 850.488.5952, or you may Fax your question to 850.922.1228.

IV. ADMINISTRATIVE POLICIES

CHANGE AND CANCELLATION POLICIES

To **CHANGE** or **CANCEL** your examination without monetary penalty, you must notify PearsonVUE/Promissor **at least 48 hours** prior to your examination time. Note, this is different than two days, e.g. your exam time is 10:00 a.m. on February 16. You must cancel no later than 10:00 a.m. on February 14 in order to be eligible for a full refund. If you **DO NOT** call PearsonVUE/Promissor to change or cancel your appointment time **48 hours** prior to your examination time, you will owe PearsonVUE/Promissor the full examination fee.

ABSENCE POLICY

If you are unable to attend the examination for which you were scheduled, you may be excused for the following reasons:

- Your illness or that of an immediate family member;
- Death in the immediate family;
- Disabling traffic accident;

- Military duty.

All candidates seeking excused absences must submit written verification and supporting documentation of the situation to PearsonVUE/Promissor **NO** later than fourteen (14) days after the original examination date. Documentation of medical absences **MUST** have the original signature of the medical practitioner. Stamped signatures will **NOT** be accepted.

ADMISSION TO THE EXAMINATION

When registering at the Test Center, you will be required to have the following items:

- Two (2) forms of identification, one of which bears your picture and signature: driver's license, state identification card, passport, or notarized photograph bearing your signature. **YOU MUST BE PREPARED TO SHOW PROPER I.D. ADMISSION PROCEDURES

- Please report to the Test Center thirty (30) minutes prior to your scheduled examination. The Test Center Manager will assign you a seat and assist you with the computer. You may take up to fifteen (15) minutes to complete the tutorial, and the Test Center Manager will answer any questions you may have about the computer testing unit at this time.
- The time you spend on the tutorial will **NOT** reduce the time allotted for taking your examination. When you feel comfortable with the computer testing unit, you may begin your examination. The time of the examination begins the moment you look at the first question on your examination.
- Your specific reporting time will be given to you when you make your examination reservation. Please allow yourself sufficient time to find the Test Center. Make sure you have all necessary documentation **BEFORE** you report for registration.
- At the completion of the examination, your score report will provide instructions on the next step of the licensure process.

LATE ARRIVALS

Test Center Managers will review the daily schedule for that day to determine if the candidate can be accommodated due to tardiness. If the tardiness is due to an emergency (i.e., car trouble, traffic accident, etc.), the candidate must provide documentation of the event. If the candidate **cannot** be accommodated due to unexcused tardiness, he or she **WILL** be liable for the test fee for that day **IN ADDITION** to the new test fee and will be classified as a “No Show.”
